

**CONNECTING TO GOD.  
IMPACTING THE  
COMMUNITY.**

**I.M.P.A.C.T.**

*Dear Judah Family,*

*Consecration is always a special time in the life of Judah, and I look forward to it every year. I am especially excited as we begin Consecration 2025. My desire for the Judah family is that we connect to God in a personal and intimate way. By minimizing the distractions of the world, we can become more attuned to His voice and ways, allowing us to draw nearer to Him.*

*As we embark on this 40-day journey, our individual consecrations may vary. The experience isn't intended to be overly complicated, but it should be challenging as we encounter God in a fresh and transformative way.*

*This year we will be studying *The Chosen* - Book Three. We have also provided Weekly Focal Points and resources to enrich your personal journey.*

*I pray that you will take this time very seriously. Let's seek God together and commit to making an **Intentional, Meaningful, Positive, Action-Oriented Contribution Today** and beyond. And watch God do **AMAZING THINGS!!!***
